Regulation FM 200-1 Supplement - Table 10-2. Explanation of seasons and bag limits (referenced in para 10-1 and Table 10-1).

<p>1. DEER</p>	<p>a. The maximum number of deer that may be harvested by any one person by any method on the Fort Moore Reservation (Georgia and Alabama) during the season is as follows:</p> <ol style="list-style-type: none"> 1) No more than twelve (12) total deer. 2) Season limit is 10 antlerless (does or button bucks) deer and 2 antlered deer. 3) No more than two (2) of the twelve (12) may have antlers. Under no condition, shall any person take more than two antlered deer during the entire season. 4) Both antlered deer must have at least four points (one inch or longer) on one side of the antlers except as noted for youth hunters in Chapter 3, para 3-4 c. (7). 5) In Alabama, a maximum of two deer may be harvested per day, only one of which may be an antlered deer and only one of which may be an antlerless deer. <p>b. Legal primitive weapons are any approved archery, muzzleloading weapons, or pre-charged pneumatic air guns. Muzzleloaders with scopes are legal primitive weapons in both Alabama and Georgia. Crossbows (scopes allowed in both Georgia and Alabama) are also legal primitive weapons.</p> <p>c. Legal firearm season weapons are bows, muzzleloaders, .30 cal or larger air rifles, .22 cal or larger centerfire rifles and handguns, and 20-gauge or larger shotguns with slugs in accordance with area or training restrictions on weapons.</p> <p>d. Buckshot is prohibited for deer and all other game on Fort Moore.</p> <p>e. All bows must have a minimum pull of 40 lbs. Long bows, recurve bows, compound bows, and crossbows are all considered as bows in this regulation.</p> <p>f. All air rifles must be pre-charged pneumatic air guns .30 caliber or larger.</p> <p>g. Special Youth Hunts.</p> <ol style="list-style-type: none"> 1) Georgia: Youth Hunters, 15 years of age and younger are authorized to hunt deer with any legal firearm for hunting deer on Fort Moore during the Georgia deer Primitive Weapons Season on the Georgia side of the installation. Youth hunters must have a Georgia deer and turkey harvest record and meet requirements of Chapter 3, para 3-2 and Chapter 6, para 6-2. 2) Alabama: Same legal arms and ammunition apply as in deer firearm season. Youth hunters must meet requirements in Chapter 3, para 3-2 and Chapter 6, para 6-2 of Reg. FM 200-1. Youth hunters must have an Alabama Deer and Turkey Harvest Record.
<p>2. FERAL SWINE</p>	<p>a. There is no bag limit on feral swine in either Georgia or Alabama.</p> <p>b. Feral swine hunting is allowed with all approved archery equipment year-round except during turkey season.</p> <p>c. Feral swine hunting is allowed year-round with muzzleloading firearms and air rifles in accordance with area and training restrictions except during Turkey Season.</p> <p>d. Feral swine hunting is allowed year-round with centerfire rifles, shotguns, or pistols in accordance with area and training restrictions except during Deer Primitive Weapons and Turkey Seasons.</p> <p>e. Feral swine may not be hunted at night or with dogs.</p>
<p>3. TURKEY</p>	<p>a. The maximum number of turkeys that may be harvested by any one person on the Fort Moore Reservation (Alabama and Georgia combined) during the open season shall be one (1).</p> <p>b. Only gobblers may be harvested in both Georgia and Alabama; hens may not be harvested.</p> <p>c. Gobblers can only be harvested with shotguns or smoothbore muzzle loading shotguns with No. 2 or smaller shot and any approved archery weapon.</p> <p>d. Handguns, rifles, and muzzle loading rifles with ball ammunition may not be used to harvest turkey.</p> <p>e. Use of non-mechanical and non-electronic decoys is legal in Alabama and Georgia. Use of electronic or mechanical decoys is only allowed on the Georgia side of the installation. No Decoys allowed in Alabama during the first 10 days of the season.</p> <p>f. Special Youth Hunts – See applicable Alabama or Georgia Hunting Regulation for qualification and restrictions.</p> <p>g. Special Disabled Hunts – See applicable Alabama or Georgia Hunting Regulation for qualification and restrictions.</p>
<p>4. DOVE</p>	<p>a. In Alabama, daily shooting hours will begin at noon and end at sunset on opening day of the September season and 1/2 hour before sunrise to sunset on subsequent days during the seasons</p> <p>b. Hunting on managed, numbered dove fields will be open daily whenever the area is open for hunting with the exception of S44 Landfill. Hunts on S44 Landfill will be scheduled and managed by Natural Resources Management Branch. Only non-toxic shot is allowed on the S44 dove field.</p>
<p>5. RABBIT</p>	<p>Dogs may be used to hunt rabbit.</p>
<p>6. BOBCAT, FOX, OPOSSUM, RACCOON, COYOTE</p>	<p>Georgia:</p> <ol style="list-style-type: none"> a. Bobcat, fox, opossum, and raccoon may be hunted at night. <u>COYOTE MAY NOT BE HUNTED AT NIGHT.</u> b. Only battery powered lights or fuel type lanterns may be carried by hunters for locating these animals. c. Bobcat, Fox, Opossum, and Raccoon may be taken only with small game firearms. (No centerfire rifles or pistols) d. Coyotes may be taken with center fire weapons outside of spring turkey season and deer primitive weapons season. No baiting allowed and no night hunting. Electronic calls may be used. d. Bobcat and fox may be hunted using manual calls. e. Dogs may be used to hunt bobcat, fox, and raccoon at night. Blaze orange outer garment and hat must be worn IAW with Chapter 4-2(a). <p>Alabama: Check state regulation for additional weapons restrictions and seasons</p> <ol style="list-style-type: none"> a. Fox, opossum, raccoon may be hunted at night. <u>BOBCAT AND COYOTE MAY NOT BE HUNTED AT NIGHT.</u> b. Fox may be hunted at night with lights and dogs only. c. Raccoon and opossum may be hunted at night with dogs, lights, and .22 caliber rimfire firearms or shotguns with No. 6 or smaller shot. d. Running dogs during daylight hours or after 0300 hours during spring turkey season is prohibited. e. All bobcats are required to be tagged by an Alabama Department of Conservation and Natural Resources representative within 14 days of harvest. Blaze orange outer garment and hat must be worn IAW with Chapter 4-2(a).
<p>7. ALLIGATOR</p>	<p>By quota permit only in the Chattahoochee River and its navigable tributaries. All respective state regulations apply. There is no reciprocity for active-duty soldiers. All individuals, must have a valid hunting license from the respective state in order to obtain a quota permit from that state's lottery system. Hunters must be on the proper side of the river, in the state where the quota permit was issued from while hunting. Hunters who obtain a Georgia Quota Permit may contact Fort Moore Natural Resources Management Branch for potential additional opportunities in recreational fish ponds.</p>
<p>8. WATERFOWL</p>	<p>Steel shot size "T" or smaller is required for all waterfowl hunting (Lead shot may not be used).</p>
